

The Spaghetti Supper has been SET!!! Be ready for YUMMY, Joe's Pizza & Pasta's spaghetti, breadsticks, salad & of course, our homemade desserts (well, your homemade desserts:)

The date has been set for Wednesday, May 11 from 4:30 - 7:30 pm in the TGS Gym.

Shifts run from 3:30 - 6 pm; then 5:30 - 8 pm

We need a minimum of 30 people for each of the 2 shifts for this event.

Each family is asked to bring 1 homemade dessert.

The students & chapeons should be able to mostly cover this event for working, but we could use 4 or 5 parents per shift to just oversee & make sure the bases are all being covered! So, Parents, you're off the hook unless your servant hearts are saying, "Heck YEAH - I LOVE making sure the spaghetti is being cleaned off the tables & I have the time to do it!" Seriously, please let me know if you'd like to work a shift but don't feel obligated (but know that we'd like to see you because we love hanging with you as much as we love hanging with your kids!). Students, please email me & let me know which shift you'll be working! *Fun side note: There will be games with prizes for the workers...*

TICKETS - Joe's has suggested that we sell advance tickets this year - I am printing 6 tickets for each of you to peddle. They will be on the round table in an envelope with your names on it. Cost is \$7 for adults & \$4.00 for kids 10 & under... Children 4 & under are free. Circle the ticket type when you sell them. Also, these can be used for take out orders! Ticket money is due back into the parish office by May 9th so I can give Joe's a better estimate on how many we will be serving. If you need more tickets, give me a call! Tickets will also be sold at the door. This is a "group fundraiser" Please do your part!

Lastly, Don't forget, your CHWC forms & a copy of your insurance card are DUE BACK by this Friday, April 15!

Talk to you soon over a plate of spaghetti!

Peace Out Ya'!!

Courage does not always roar. Sometimes it is the quiet voice at the end of the day saying, "I will try again tomorrow."
